3. The following is an examiner's statement of reasons for allowance:

The closest prior art of record is Singh (U.S. 2002/0169657). Applicant's arguments filed on April 28, 2008 (Pages 9-12 in particular) are deemed to be persuasive and adequately reflect the Examiner's opinion as to why claims 1-17 and 19-20 are allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
